

WA FOOTBALL HIGHLIGHT VIDEO INSTRUCTIONS

1. Notify a coach that you would like to have a highlight video created.
2. Select plays from each game and fill in table below. A five minute highlight film will contain about 30 plays. You should select no more than 50 plays for the first cut. *If you are a lineman*—please identify the position that you are playing for each play. For example, 2(LG), 34(RT), 60 (RG), 73(RDE)—etc.
3. Once you have identified the plays that you want to be considered for your highlight film—make a copy of the form and give it to one of the coaches who will give it to Mr. Perugini. You can then work with a coach to put these plays in the appropriate order. This will also be given to Mr. Perugini when completed.
