## Jersey Replacement Policy & Purchase Option

Parents of football players at Wyoming Area have the option of purchasing their athlete's jersey, either the green, home-game jersey, the white, away-game jersey, or both. If you would like to make a purchase, please complete the form below and return it with your banquet RSVP.

### Policy

At the beginning of the 2011 football season, Coach Spencer enacted a Wyoming Area Football Jersey Policy that provides a set of guidelines outlining how the football program will ensure that jerseys removed from inventory will be replaced promptly. In 2011, the Wyoming Area Football Alumni Association purchased new Nike custom fit and design jerseys for the program at a cost of \$153 per jersey. These jerseys, along with other apparel and equipment, are school district property and must be returned at the end of the football season.

**Simply put, the policy dictates that any jersey removed from inventory must be replaced with a comparable jersey.**

Since WAFPA and WAFAA cannot afford to assume the cost of replacing the inventory of jerseys each year, we provide parents with an option to purchase at a cost of \$150 per jersey.

### Purchase

The funds from all jersey purchases are deposited in the Wyoming Area Athletic Fund and are allocated to the purchase of replacement jerseys. Note that separate payment is required for the banquet and jersey purchase. **Payment for jerseys should be made via check at the annual banquet.** Checks should be made payable to the Wyoming Area Athletic Fund.

You should indicate your intent to purchase by completing the form below. Please circle the jersey(s) that you would like. If you want neither, circle "grey" option and the coaches will remove the name tag prior to the banquet.
