ALMA MATER

Nestled in the hills of Summit  
Stands the school we love so well.  
To her in happy chorus let our praises swell;  
As we proudly stand together,  
Ev'ry voice will raise a cheer,  
And swear our proud allegiance  
To our alma mater dear.  
The mem'ries, joys and tears  
We'll carry through the years,  
The blue and white will go with us always,  
And when the lamp burns low,  
And when the heart beats slow,  
Our ev'ry cherished memory will go  
To the hills of dear old Summit,  
Where we've lived and learned to know  
That God will guide our thoughts home  
In the sweet after glow.
